

**MWFHC CONVERENCE CALL**

**August 8, 2016**

**7:00 P.M.**

Present: Kay Van Natta, Jessica Reuterskiold, Dennis Redfield, Therine Gudknecht

The Blue Earth show went well. Jessica would like to see some classes changed for next year. Marlin will be contacted at a later date so the show schedule can be discussed.

The winter meeting was discussed and it was decided that education should be the focus of the meeting. We will look into finding a location for the meeting and discuss them at the next meeting. Suggestions include the University of Wisconsin River Falls, Simons Arena in Cannon Falls, Minnesota and Chelsea Meadows in Oronoco, Minnesota. Jessica will contact River Falls and Therine will contact Simons and Chelsea Meadows.

Topics of clinics could be evaluations, the family Fjord and how to present your horse. Ideas for people to present include Phil Oden and Bob Long.

The next conference call will be August 22 at 7:00 P.M.
