

MWFHC Conference Call

01.11.2016

In Attendance: Kay Van Natta, Sarah Weyker, Denny Redfield, Jessica Reuterskiold, Janie Johnston, Therine Gudknecht

Discussion included the winter/spring meeting. We are hoping to have it at the end of March without horses. We hope to have some speakers and a get together to refresh old and new friendships.

We have lost a large number of members since 2012 and are going to contact those members to hopefully have them renew their memberships. We will keep people on the membership list until the end of February to give them a chance to renew.

Discussion included where to have the winter/spring meeting with Madison or the Dells being options. We will possibly have a veterinarian as a speaker during the day and also an open forum to discuss the club show. We need someone to head up the show committee. Sarah will contact Julie Cramer to see if she would be interested in this position. At this time, we are looking at the weekend of March 18. Jessica will talk to Dawn Schlickman and Karen Hanson to see if they would be willing to head up this meeting.

The PayPal account is being worked on by Sarah.

Our next conference call will be February 8.

Therine Gudknecht, Secretary
