

Conference Call Minutes –May 18, 2015

Executive Board members Kay Van Natta and Kristin Lee were present and Janie Johnston (Membership Chair) joined the call.

Election

Kristin sent out the ballots on May 14, 2015 and complimented Jaine on the great condition of the membership list and the ease of sending out both the postcard and the ballot. The ballot included Sarah Weyker running for treasurer and Therine Gudnecht for secretary. No one stepped forward to run for Vice President but a “write-in” option was included on the ballot.

Horse Show

We agreed to discuss the plans for the show two weeks before the show. There is concern about the attendance and if the numbers are low, questions have been raised, “do we cancel the show or call the people that have signed up to see if they would like to proceed with the show”.

Trailride

Kristin shared the costs of Big Valley Ranch (west of Madison) and it would be the most expensive options at \$1900 to rent the entire facility. She will continue to research other options. Kay commented that she likes the idea of including “non-fjord” friends and their horses.

Survey

Kristin suggested putting together a brief survey to be sent out in a week to ask the current members about their thoughts regarding the upcoming show, clinic and educational options, the trailride event and ask for general feedback on what they would like the Board to be doing.

Our next conference call will be held on Monday evening, June 22, 1015 (one week later than earlier scheduled).

Respectively submitted,

Kristin Lee
Secretary
