

02/03/2020 MWFHC Board Meeting

Call in: 1-605-562-0400, Code: 9878632

7 pm start, with Andrew Hinrichs, Jessica Reuterskiold and Cherrie Nolden

Agenda:

- When to set full club meeting
- Spring Events
- Evaluations

Account balance: \$11,601.00

NFHR will have an event at Equitanna in KY. Curt Pierce is in charge of that one; Jessica will connect with him.

Equine Affaire in OH; Patrick Neill said he'd coordinate that one. Joint Icelandic-Fjord booth. Includes 1 stall and a booth space. Half time for each breed.

Heike Schimmelpfennig Lewandowski had mentioned a MN event for their horse fair. Driving derby is on Friday and Saturday so having an event on one of those days would be ideal; Jessica and Andrew will be there for that. Andrew will help with this one.

Haven't heard from Karen Hanson in WI, Krissy Baird in OH, or Jenny Bailey-Olson in IA; need to connect with these. Andrew will connect with Karen and and Krissy. Cherrie will connect with Jenny.

Kecia Renee Morris in IL expressed interest in the IL expo. Cherrie will connect with her.

The coordinator for each event needs to let Jessica know who actually showed up and thus who to reimburse.

Evaluations:

Jenny Baily-Olson wanted one in IA, Patrick would maybe in OH, Sue Plein brought up a clinic in MN. The Club can help financially, if needed. The availability of Evaluators (2 people) will determine dates. We will wait and see how those play out for scheduling. NFHR will pay for some things; perhaps travel of the evaluators. More of what the Club could do is support with manpower for the event. Fairgrounds can be expensive, but less so than event centers. We need to find locations that are more affordable.

We could have a silent auction at the Evaluation to help pay for expenses. Perhaps we could pay the coordinators some amount to help encourage them to commit to that leadership role.

Meeting for membership: Monday Feb 24 at 7 pm.

Adjourn at 7:49 pm.
