

CONFERENCE CALL MEETING
9/16/07, 8:00 p.m.

Present: Susie Sadlon, Mary Ofjord, Patti Jo Walter, Chuck Kelly, Pat Holland, Therine Gudknecht

Chuck opened with an explanation of what happened at the meeting with the fair board members at Perkins in Albert Lea. The fair board members were happy with the way things are working right now and offered to do anything we would like to help the club with the show at Blue Earth. They would prefer to not pay the \$600 towards the payment of the judge and work that out with a trade for parking or a combination of things that would equal \$600.

Chuck Kelly suggested renting the facilities at Blue Earth rather than going through the fair. He feels that we could rent the stalls set up and spell out what we would be receiving for our money.

Chuck Kelly has been in contact with Decorah, Iowa regarding the facilities they have available. Mason City, Iowa, is another place we could have a show. After discussion of these possibilities, Chuck Kelly made a motion to keep the show in Blue Earth in 2008. It was seconded by Therine Gudknecht and passed.

Chuck Kelly will prepare a letter to send to the Faribault County Fair Board spelling out what our expectations are for the show. One of the expectations would include having Marlin Krupp be a contact person for Pat Holland.

Patti Jo Walter made a motion to keep a photographer for the show but the club should not pay for hotel or mileage. Susie Sadlon seconded the motion and it carried.

Chuck Kelly moved to offer the treasurer and show chair three days lodging in Blue Earth. The motion was seconded by Mary Ofjord. The motion was later withdrawn by Chuck Kelly and seconded by Mary Ofjord. Carried.

There was discussion regarding finding a judge for the 2008 Blue Earth show and the insurance.

Susie Sadlon moved to have a contract with the fair board and Patti Jo Walter seconded. Carried.

Mary Ofjord moved to adjourn. Seconded by Chuck Kelly. Carried.

Respectfully submitted,

Therine Gudknecht
Secretary
