

MIDWEST FJORD HORSE CLUB  
EXECUTIVE MEETING  
JULY 21, 2007

Present: Chuck Kelly, Susan Sadlon, Karin Peterson, Therine Gudknecht

We discussed looking for different insurance for the Club and the order of the summer meeting.

The insurance we have at this time is for six days and not six events as we previously understood. If anyone knows of a good insurance company, they should inform Chuck Kelly.

We discussed the Faribault County Fair cost for the show. They pay for the ribbons and prizes and \$600 towards the cost of the judge. They receive all of the money paid for stall fees. They are concerned that they break even on the show.

Meeting adjourned.

Respectfully submitted,

Therine Gudknecht  
Secretary
