

Midwest Fjord Horse Club
Executive Committee Meeting
February 24, 2007

The executive committee met at the Wahl Equestrian Center in Sterling, Illinois on February 24, 2007 at 9:38 a.m. Members present were Chuck Kelly, Susie Sadlon and Therine Gudknecht

There was discussion regarding release of the membership list. Chuck will coordinate with Mary Ofjord for the information needed.

The Midwest Fjord Horse Club can purchase labels of the NFHR membership list from NFHR for \$50. It was decided to do that to be used in recruitment of new members.

There was discussion regarding notification to members on payment of dues. This will be included with the show packet for Blue Earth.

Elections are coming up. Information needs to be sent out to members. Susie Sadlon and Patti Jo Walter will take care of that. Anyone wishing to run for office should submit their bio to Therine Gudknecht by April 1. Therine will then make up a ballot.

The committee discussed the ongoing work of our club on the revised show rules.

It was discussed that the donation to Blue Earth for a warm up arena was not going to happen. It was felt that it would be appropriate to rescind the motion to make a donation for this project. s/c

The committee discussed that Lori With will take over as editor of the newsletter.

Chuck Kelly stated that there will be a nonprofit booth at the Midwest Horse Fair. He was hopeful that the NFHR would help fund this booth. Volunteers will be asked for at the Club meeting to run the booth.

There has been an invitation to join a Dancing with Horses show in Iowa put on by a therapeutic riding group.

Meeting adjourned.

Respectfully submitted,

Therine Gudknecht
Treasurer
