

MIDWEST FJORD HORSE CLUB
MEETING AT BLUE EARTH
EXECUTIVE COMMITTEE
07.22.09

All Present: Patti Jo Walter, Chuck Kelly, Susie Sadlon, Anne Weyker and Therine Gudknecht

Chuck wants to discuss a suggestion received to have a place for taking pictures. We will talk to the Fair Board and ask if the snow fence can be shortened to provide an area for the taking of pictures.

We need to discuss the contract with the Fair Board as it does not say anything regarding the stripping of stalls.

There was discussion that people should leave the wash area clean when finished.

For future shows we will try to have at least two division heads for each division so people will have more than one person to ask questions if they are preparing for a class.

Chuck Kelly motioned that if the Executive Committee is approached to have a second show, we will support it provided it is presented to the board as outlined in the bylaws.
