

Conference Call Minutes – August, 25, 2013

Heike Lewandowski, Kay Van Natta, Sarah Weyker, Kristin Lee and Chuck Kelly were on the call.

Chuck reported on the Kirkwood show in July. The arena personnel complimented the club on how well the show was run and that there was great enthusiasm felt by many and those in attendance seemed to have a good time.

The Board discussed sending out an online survey to get feedback on a show location for next year. In the next few days, Sarah will send out the survey to the current membership list and any past members that we can locate. Once the results are in, Sarah will share the results and the Board will take into consideration the survey results and choose next year's location

The Board is adding the West Salem location to the survey and eliminating Winona due to Winona's high cost. The NFHR wants to hold the Evaluations in conjunction with the club's show if it is held in West Salem. We are in agreement that this is a good idea to help draw members back.

Chuck voiced his concern at the noise level at West Salem due to the evening racing.

Kristin will contact Tish Pasqual to go over membership organization/communication.

The Board decided to continue plans with hosting the 2014 Spring Meeting in Minnesota with the MN Horse Expo. We need to let Lisa Lovett know of this decision so she can inform the membership.
