

Conference Call Minutes –September 15, 2014

Sarah, Kristin and Monie called in to the conference call.

It is very important to secure a show date for next year. We need to get something set so we can secure a judge.

We are all leaning towards the July 10, 11 and 12 but changing to a 2 day show on that Friday and Saturday, **July 10th and July 11**. We would arrive on Thursday afternoon and leave on Sunday morning.

Kristin will contact Heike to follow up with Arlan at West Salem to see if the dates are still available and if we can come in on Thursday for the Friday and Saturday show. This is the same weekend (before their fair) but we felt that the available dates in June were too soon and August dates conflicted with many county fairs.

Also, Sarah will be sending the final payment to West Salem in the next few days. She has been waiting for the NFHR to settle with the club.

Kristin has a lead on a MN judge that has driving background and has judged open shows for many years.

Sarah will look check on two judges that she knows about as well (Joe Previck is one of them).

We are hoping that a Tidbits will go out soon. There will be a Want Ad looking for someone to chair the Mid Winter/Spring meeting.

Monie reminded us to look for someone to take over the club's merchandising.

Respectively Submitted,

Kristin Lee
