

Conference Call Minutes –November 3, 2014

Kay Van Natta, Kristin Lee and Chuck Kelly were on the conference call. Lisa Lovett, Tidbits Editor, also participated in the call.

Kristin began by saying that July, August, September and Octobers conference calls were not well attended averaging 2 to 3 participants so formal minutes were not presented; however, e-mail follow-ups to the Board were sent.

2015 SHOW

Kristin reported that the July 10, 11, 2015 show dates at West Salem have not been confirmed. She has been trying to contact Heike for an update but has not heard from her since August. Kristin will look for the contact information for the West Salem Fair Board to see if the dates are still available.

After the dates are confirmed, we can begin to secure a judge (Sarah had some ideas).

SPRING MEETING

A chairperson has not been obtained for the spring meeting. We discussed possible locations and decided to go forward on Decorah, Iowa. A tentative date is March 13 – 15. Kay will contact hotels in the area to see if they are able to hold a group (possibly Country Inn and Suites). Chuck volunteered to explore activities/tours that we could offer during the weekend. Lisa suggested having a tack swap.

Kristin will resend Lisa the "Help Wanted" article for the Tidbits looking for a chairperson for the weekend. The Board agreed that we all might have to step up and take on a portion of the planning.

We will have our next conference call on Monday, November 17th.
