President's Message

Hello again to the members of the Midwest Fjord Horse Club. Was it only yesterday that we were packing up to go to the Winter meeting? Next month is Blue Earth already!

I hope everyone will come to BE if only to enjoy the show for a day or two. Pat is continuing her usual magnificent job of putting together the largest and most successful Fjord Show in all of North America. Three Cheers For Pat!!

On a related note, we have an item for the membership to vote on at the summer meeting. It has been proposed that the club join both the Minnesota and Wisconsin Horse Councils. Kristen Lee has volunteered to represent the club on the Minnesota Council and Linda Syverson-Kerr has volunteered to do the same on the Wisconsin Council. As in all things, there is a cost to the club to join, as well as some definite benefits. I would urge all the members to check out the respective web sites for more information.

The Minnesota Council site is <http://www.horses-mn.org> and the Wisconsin Council site is <http://www.wisconsinstatehorsecouncil.org>

I encourage any member who wishes to speak on the issue, either for or against, to contact me and be put on the Summer Meeting agenda. This is your club and your input is always welcome.

On a final note, the Executive Committee is constantly working to improve the club and the services we provide to our members. To that end, if you have any comments or suggestions, if you are willing to volunteer to do a job, or if you just want to jump in, please feel free to do so.

If you think the Executive Committee or the club as a whole can provide something new or can do something better, then please let us know. We are growing and improving, and we want to continue on that path.

Chuck Kelly
(563)864-3201
coyote@acrec.com

Lute Ulrich and Brynja put a whole new spin on "An Evening of Dancing Fjord Horses" in Winona, Minn.

Lute's wife, Debbie, is a member of the 25th Anniversary committee.

She didn't say if this dancing duo would be a part of the event!

OOPS!

There was a mistake on the entry form for the Blue Earth Show - the vehicle fee is \$5.00..NOT \$45.00!

Yah or Neigh? MWFHC Considers Horse Council Membership

It has been proposed that the club join both the Minnesota and Wisconsin horse councils. At the 2006 Winter Meeting this past February, the Executive Committee decided to put the following measure before the membership for consideration: "Should the MWFHC join the Wisconsin and Minnesota Horse Councils?"

We encourage any member to speak on this issue before the vote. If you would like to speak on the matter, either for or against, please contact club president, Chuck Kelly, (563)864-3201; e-mail: coyote@acrec.com to be put on the agenda for the 2006 Summer Meeting.

Pinch Me

Submitted by Carol Makosky

I hope all of you are getting out and about with your horses during our nice weather in the Midwest. I just have to tell of the wonderful weekend I had driving my Heidi.

First, on Saturday, I drove her about five or six miles to our annual town meeting. Saving on gas you know. She had an hour rest there and then off we went to my friend's place, which was about another eight miles, I think. We did that in a little over an hour.

Then, on Sunday, I hauled her to my other friend's weekend place with many acres and hilly cross-country ski trails for more driving. Our little group consisted of me driving and two riders. We had so much fun and the weather was perfect with few bugs, nice breezes and sunny skies. I am so proud of Heidi and how well she did on all the up and down hills.

I love the thrill of her charging up a hill at a good canter or trot. There were some short water places we could have crossed but I was leery of the depth and other issues, so we went around them.

After an hour or so break and lunch we went back out. This time we headed for some state land with many snow mobile trails. We could have gone on forever, but some had trees down across and one had a steep grade sign or warning. We decided to see just how steep this hill was and had a good laugh. It was a lot less steep than the ones on her property. So down we went and traveled this trail until time to head back to pack up and call it a day.

I also had to go through a small rough area with only saplings in the way to get around a gate onto the state land. Heidi does not bat an eye or hesitate one bit when asked to go through. On our way back we weren't quite sure where we cut through, but Heidi knew exactly where it was. I held the lines up and very slack just to show the others that I did not guide her. We call it a horse's natural GPS.

So in ending, I hope everyone else is having as much fun as we did that day. Frankly I had to almost pinch myself to know I was not dreaming of the great time had last weekend. See you all at Blue Earth in July and Winona in October.

21st MWFHC Blue Earth Show READY TO GO!

Submitted by Pat Holland

By now all of you have received your show packet. Other than the misprint for vehicle fee on the entry form (it's \$5.00 NOT \$45.00....sorry about that),things are moving along well in preparation for the show.

Once again we've tweaked classes - dividing by western or English riding and ages, added a few new classes and rescheduled the list to accommodate the exhibitor. I hope you all find this year's show user-friendly. Our judge this year is Jim Havelhurst.

Your show committee has been working hard and if you have any questions please feel free to contact any of us: Pat Holland (815) 591-3658 pholland@internetni.com Rich Hotovy (269) 244-5345 nancy@upperforty.com is in charge of the draft division; Andrew Hinrichs (218)943-5281 fjordguy@hotmail.com is head of the driving division; and Jessica Katzman (815)645-2630 ponygirl4life@yshoo.com is in charge of the trail division.

Nancy Hotovy has generously offered her time and years of experience to us, Susie & Mike Sadlon and Tyler and Dawn Schlickman and Patti Jo Walter are also committee members of this year's show.

Kit Davis, Bob Gudknecht and Andrew Hinrichs will once again be our safety delegates. Mary Ofjord will be handling the books this year and Chuck Kelly, DeeAnna Weed and Therine Gudknecht will be available for assistance throughout the show and Roger and Diane Whitney will be assigning stalls.

I will be at the grounds starting Thursday the 20th - my cell phone number is (815) 858-4046.

Once again we are looking for anyone who would like to ring steward (great opportunity to learn from Jim), help with gates, set up classes and hand out trophies & ribbons. If you have some time throughout the show please contact me or any of the committee members.

Our trophies this year are especially nice. Custom made through Horsegift.com of Galena, IL We are giving unique Norwegian designed Steins and Cherry wood boxes with a Fjord head drawn in full color - by myself.

Besides the trophies, Linda Lottie of "All Things Fjord & More" will be donating first place items for all of the youth classes. The Oregon Fjord Club is donating a cooler for High Point Youth, Catherine Lassesen's "Hestehaven" has made a generous and kind donation and Bill and Margaret Jensen have also made a generous donation.

Jill and Steve Chesler, new members from Elizabeth, Ill. are donating three - 3 season jackets with custom embroidery to the High Point Versatility and Reserve Horse and High Point Youth and Dawn and Tyler Schlickman is donating the 4th 3 season jacket for Reserve High Point Youth.

The Blue Earth Show has always been unique, and it shows by all the volunteers and donated items we receive each year. I'm not sure if any other organization receives such unconditional support from their membership. We are fortunate, and those of us who work for this show and the MWFHC are very grateful to all of you for showing how much you care. THANK YOU.

I promise, as long as I am Chairman of this event to always keep in mind that this is YOUR show, and provide a venue for all of us to enjoy. I promise to remember our humble beginnings and all the hard work those of you who came before gave to this show. We will continue to honor those who believed in our membership and kept friendship and goodwill foremost in their minds.

MWFHC Summer Meeting

Sunday, July 23, 2006, 7:00 p.m.

4-H Dining Hall due west of the show arena
Fairbault County Fairgrounds, Blue Earth MN

If you have any items to add to the meeting agenda, please contact Chuck Kelly, 563-864-3201, coyote@acrec.com

4-H Supper before the Meeting

Sunday, July 23, 5:00 to 7:00 p.m.

Letter to the Editor

Howdy,

Ron Dayton here from Sunwood Fjords & Carriage Co. We are members of the Pacific Northwest Fjord Promotional Group (we are on your newsletter exchange list).

Anyhow, I just got off the John Wayne Trail and here is a small write-up of the trip with our friend Dave and his fine team. It is such a pleasure to keep in touch with you folks. Nice to hear of all the goings-on back your way.

We have many of your members in our book (Fjords Farms & Friends) and if you like you could put a note in your newsletter :

The book just went to the publisher and it will be available as of Sept. 1, 2006. We will have copies at the Libby Show and Sherrie will bring some copies back with her to the national show in Winona, Minn. in October. "Happy Trails"

Ron Dayton

A Note About Membership Dues

Submitted by Mary Ofjord
MWFHC Treasurer

Hello fellow Fjord Horse enthusiasts.

There has been some confusion among us as to when our membership dues are payable, and as many of you know, our former Treasurer, Sharon Falck, was very helpful in reminding us of when we needed to pay.

In the event any of you may have forgot when our dues are payable, our memberships run from July 1st to June 30th the following year. Any dues not paid after 60 days from July 1st, are considered invalid.

Our dues were usually collected at the Blue Earth show in July, however, many folks paid around the first of the year, assuming they coincided with the annual dues of the NFHR.

We hope this will clear up any confusion folks may have had. In the future, we are planning on sending out a reminder to all our members in the spring. This should alleviate the confusion, and perhaps if we can collect most of the memberships before the July Fjord Horse show, it will be one less thing to keep track of at the show.

Thank you and I hope to see most of you in July!

Application for MWFHC Membership

All members:

Name: _____
Farm name: _____
Address: _____
City, state, ZIP: _____
Phone: _____
Email address: _____

Survey for those with email accounts:

Would you belong to an email list for MWFHC members? YES / NO (please circle one)
Would you be willing to receive club newsletters by email? YES / NO

Breeder members only:

John Wayne Pioneer Wagons & Riders Wagon Train 2006

The Fjords held their own on the trail this year. Dave McWethy is no stranger to this long distance trek.

The John Wayne Trail

by Ron Dayton.

This is a tail of the John Wayne Trail,
With wagons & riders who could really haul the mail.

Especially "Howard" who really set the pace,
A fella would think this was kind of a race!

The trail....It was long with hazards along the way,
But the horses did us proud, it was a wonderful day.

The tunnels were fun, ask "Carol" with the walker,
"Happy Jack" tried to consol her, but it was still quite a shocker.

The rock slide was something we didn't expect,
But the horses handled it and gained our respect.

One trestle stood out as a place to take care,
The Santa fe below gave us all quite a scare.

The landscape was grand with old buildings and trees,
It took us all back in time, and that really pleased.

A big thanks to "Jack" and his crew on the trail,
We had some great fun with music and "Tails".

We were all in "Good Company" that was real clear,
We hope to be back for the trail ride next year.
