Many MWFHC members have expressed their interest in participating in the survey that Pat Holland has prepared.

I have attached a PDF copy of her survey for you to complete. Please postmark the survey on or before February 15 so Pat gets it in time for the meeting. Or you can give it to her at the meeting if you plan to attend.

If you have any questions about the survey, please contact Pat directly at [pholland@internetni.com](mailto:pholland@internetni.com)

I know my list of email addresses is somewhat out of date, so if you know members who are not getting the MWFHC email announcements, please forward this to them. (And let me know what their email address is!)

If you do not have the free Adobe Reader to view this PDF file, please download the software here: <http://www.adobe.com/products/acrobat/readstep2.html>

Attention Blue Earth Competitors!

I have received very, very few Versatility Award Forms. We have revamped this award a little this year to help make it more possible for all to participate in it.

This is a very well-earned award for its winner, and I encourage all to try for it, even if you only enter a few qualifying classes. Forms are due July 1st.

Here's a link to the form on our website: <http://mwfhc.org/2008BE/versatilityHiPt.pdf>

Thank you! Andrew Hinrichs

Candid photos of Blue Earth: <http://mwfhc.org/NFHRHerald/herald.html>

Chuck and I tried to capture the busy, vivid and friendly "behind the scenes" life at our show, and we would like to share our work with you. We are asking for your help with the photo captions, especially with the names of the people and horses, because some of these photos may be published in an upcoming issue of the NFHR Herald. Please send me an email or give me a call -- I will be grateful for your help. Please feel free to download any photos for your personal use or to contact me to see if I have images you might want that are not on the website -- we took well over 250 photos!
